**NORTHBOUND ROUTE 71 CONNECTOR AT THE 91/71
SEPARATION TO CLOSE FOR ONE NIGHT
CLOSURE REQUIRED TO REMOVE SOUND BARRIERS**

CHINO HILLS – The California Department of Transportation (Caltrans) announces an impending connector closure for Thursday night, **May 27**. This closure is necessary to remove sound barriers utilized to mitigate the noise level during recent pile driving operations.

Planned closure: The connector to northbound Route 71 from both directions on Route 91 will be closed from 9 p.m. Thursday, May 27 to 5 a.m. Friday, May 28.

Recommended detour: Depending on location, motorists on Route 91 can take either the I-15 or the 57 northbound, to the 60, to the 71.

A Changeable Message Sign (CMS) warning motorists of the impending closure will be in place starting Monday, May 24 on Route 71 approximately ¼ mile north of the 71/91 separation.

The detour will add time to your commute. Please plan accordingly, and always **SLOW FOR THE CONE ZONE**.
